ABOUT THOSE JAPANESE MANGAS YOU LIKE SO MUCH...

OKAY, FINE. LET'S TALK ABOUT IT, STAZ.

OH!

WHAT WILL YOU DO?

BUT NOT BEFORE TAKING A WHIFF OF IT.

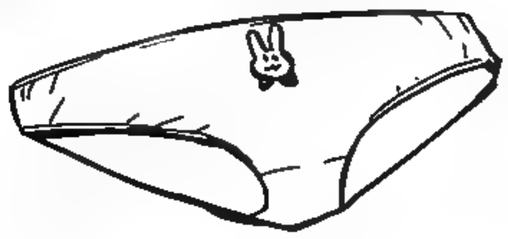
So that was it...
It's strange...
Che...

I thought it would have been the perfect hostage.

But this is strange...

I thought, "Lucky-I should use this to my advantage!"

When I picked this up...



Yeah, sure, I would have looked like an ass if I did that.

Yes, she probably would have surrendered.

It would have been easier for her to teleport to her own room and change.

Rather than put up with me taking her underwear hostage...

But at least would have found her out.

Man, am I glad I didn't go through with that idea...

Meanwhile I'd still be stuck here making a fool of myself.

The answer's simple.

She had said to me

And then that's why

But rather than let me clown around with her stuff...

OKAY, FINE. LET'S TALK ABOUT IT, STAZ.

She seemed to want it all back, as if she absolutely had to recover it by any means...

Did I overlook something?

What's the point? She could have just left me here and ran away...

...I have no clue and I can't even tell her to explain either.

Is this a rare item or something?

So if this is what she's trying to take back, then...

And that expression of hers...

And if I run away as if I did something wrong, she'll definitely catch up with me.

WHAT SHOULD I DO.!!?

.....

THOSE PANTIES ARE HER TREASURE ...

NO DOUBT ABOUT IT!

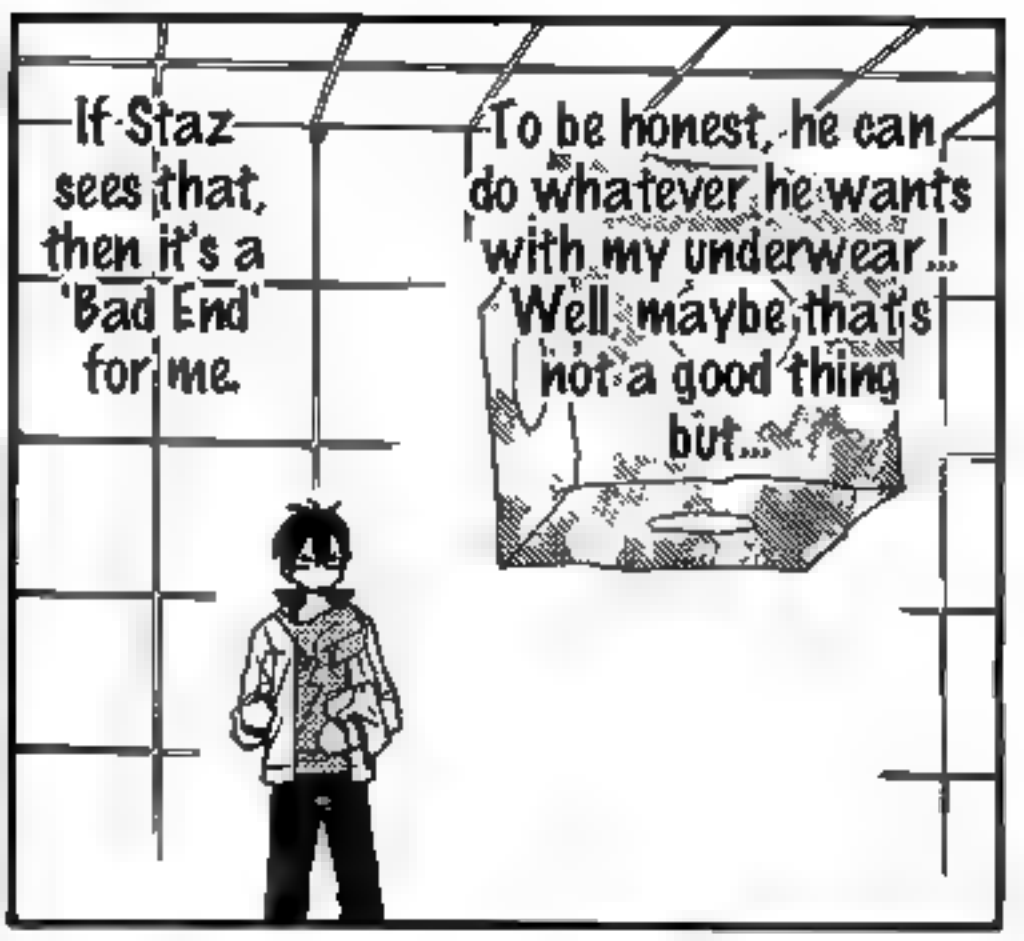
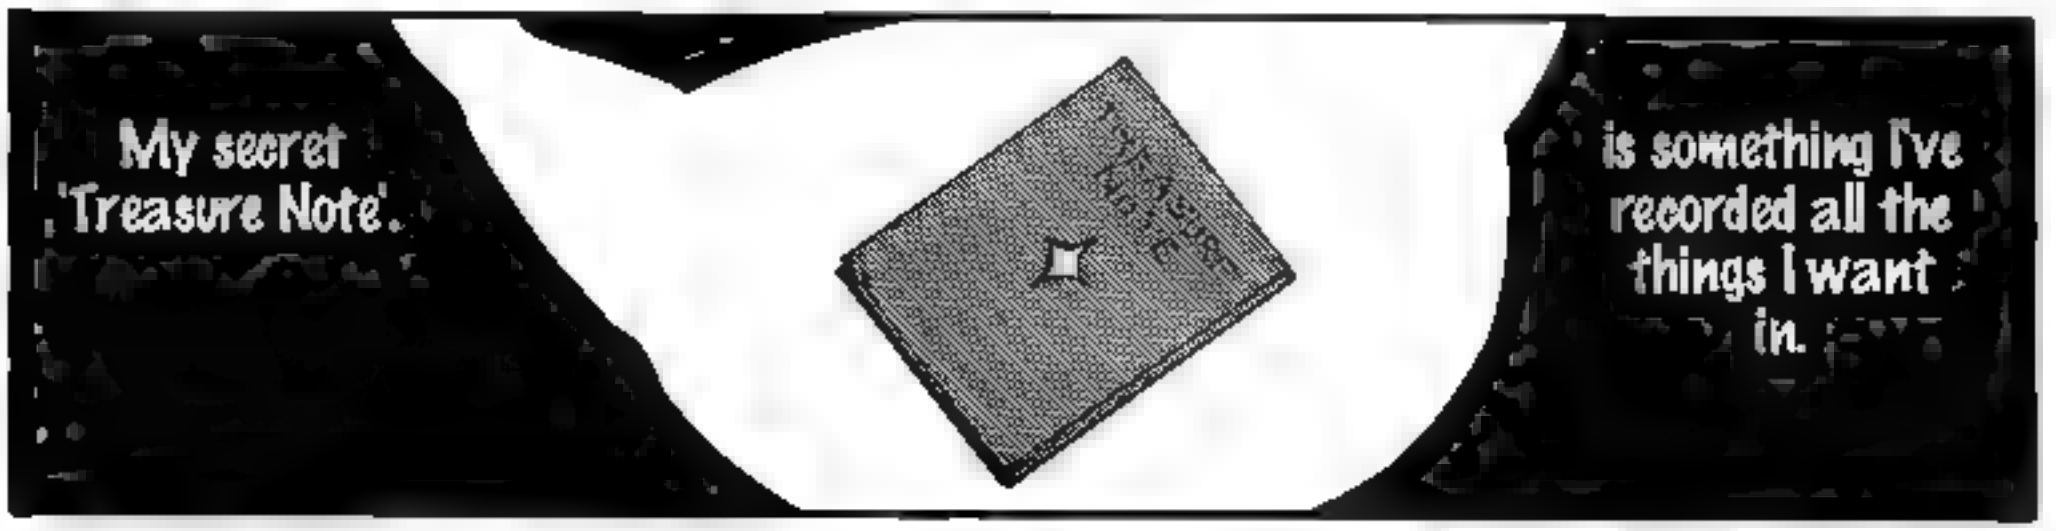
Inside the bag...



If Staz sees that, then it's a 'Bad End' for me.
To be honest, he can do whatever he wants with my underwear... Well, maybe that's not a good thing but...



My secret 'Treasure Note'.
is something I've recorded all the things I want in.

IF HE GETS A LOOK AT THAT... I MIGHT AS WELL DIE OF EMBARRASS-MENT!!
ON THE 'STAZ' PAGE...

Aaaaaaaaah!

If he reads that bit I wrote when I was drunk, "Operation: Make Staz fall madly in love with Me" t-then...

Or rather, that normally wouldn't be enough, but...

It's as if I dug my own grave!

Why the hell did I write something like that in there!?
